

Michal MARTOŇÁK

Powerful Medical

Michal Martoňák is the Head of Data at Powerful Medical.

Powerful Medical is a deep-tech medical device manufacturer aiding healthcare professionals with the accurate diagnosis and treatment of cardiovascular diseases.

Michal graduated from the Technical University of Munich and holds a Master's degree in Mathematics and Computer Science. During his studies, he worked as a Data Analytics Consultant and later as a Data Scientist in one of the world's largest reinsurance companies.

After graduating, he joined the AI Team at Powerful Medical, where he was responsible for data operations. As of 2022, he leads the Data Team, which is responsible for all data initiatives within Powerful Medical, including the acquisition of new datasets used to train, evaluate and benchmark certified AI models.
